Routing Matrix

Weight	Routing Instructions
< 150#	FedEx Ground: All freight that falls within the FedEx Ground guidelines up to 150#. No single carton is to exceed 70#. Multiple carton shipments must be combined into single-carton shipments when possible.
151-8000#	See LTL Routing Instructions at www.NewStreaming.com/shipping-instructions/
>8000#	Contact NewStream Logistics Manager for routing instructions. Paul Wilkerson 417.829.8243

Number of Shipments Allowed Per Week

NewStream authorizes only one shipment per week per vendor unless authorized by a NewStream purchasing agent.

Air Freight Shipments

Air freight shipments must be authorized by a NewStream purchasing agent and the name of the authorizing agent must be written on the bill of lading and packing list.

Freight Charge Authorization

NewStream will not pay for freight charges added to product invoices without prior authorization.
